#### 1 - WELCOME MESSAGE:

Welcome to the 45<sup>th</sup> edition of the Rally of Lebanon, which will host the fourth round of the 2023 FIA Middle East Rally Championship from September 15<sup>th</sup> till the 17<sup>th</sup> of it. A Super Special Stage will mark the start off of the event on Friday, September 15<sup>th</sup>, 2023 at 21:00hrs which will take place at the Automobile and Touring Club of Lebanon – Kaslik; Jounieh.

Lebanon has become established as the Middle East home for asphalt rallying.

We also welcome you to the homeland of the Cedar where Lebanese people are best known for their hospitality and their love for Motorsports.

Being on the basin of the Mediterranean Sea, you will experience the true experience of cultural civilizations that passed and the archaeological sites that they enchant us with history, making Lebanon a live story for generations that passed.

We are working hard to make the Rally of Lebanon not only a sporting event but also a live experience where the sport meets culture and where tourism meets challenge.

Our aim is to promote the MERC Championship at its best, and to share the diversity of culture and sceneries in the region.

We hope you will enjoy the Rally and hopefully meet many of you personally to what promise to be a magical event.

Best Regards, Imad Lahoud ASN Coordinator - A.T.C.L. Lebanon

• The GPS reference for the Service Park is:

N 33º 59' 227 E 035º 38' 337

#### 5.2 - Regulations and restrictions

The service regulations will be run in compliance with Articles 56, 57, 58 and 59 of the 2023 FIA Regional Rally Championships Sporting Regulations.

It is compulsory for service vehicles gaining access to the Service parks to display the appropriate plate that shall be affixed on the inside of the windscreen in the top right hand corner.

It is forbidden under any circumstances to drill holes in the tarmac or the ground at the Service Park. Teams and competitors are asked to bring weights for tents and others that need to be fastened.

Ground sheets must be used by the service teams, which does not let any liquid leak through, underneath the competing cars at all times due to environment purposes.

Service teams are requested to cooperate with the Organisers in such a way that spectators are able to enjoy the spectacular operations of servicing from their designated areas.

A refuel zone as well as a tyre marking zone will be situated after the Service Park exit time control.

The refueling zones as well as the remote refueling zones will be run in accordance with Article 61 of the 2023 FIA Regional Rally Sporting Regulations

Within the refueling zones and the remote refueling zones:

- Only actions inside a refueling zone directly involved in the refueling of the competing vehicle are permitted.
- In all refueling zones, a 5 kph speed limit will apply.

- The relevant personnel must be wearing clothing which will provide adequate protection against fire.
- The responsibility for refueling is incumbent on the competitor alone.
- Engines must be switched off throughout the refueling operation.
- It is required that the crew remain outside the car during refueling.
- Solely for the purpose of assisting with the refueling procedure of their car, two team members of each crew may access this zone.
- A car may be pushed out of the zone by the crew, officials and/or the two team members without incurring a penalty.

#### 5.3 - Access times for service vehicles.

Before the rally:

Unless special arrangements have been made with the organisers, competitors can access the service on Monday, September 11<sup>th</sup>, 2023, starting 10.00hrs.

All service vehicles must be removed from the Service Zone at the latest on Monday, September 18<sup>th</sup>, 2023, at 00.00hrs.

#### 5.4 - Media facilities

#### 10 - RECONNAISSANCE:

It is emphasized that reconnaissance is not a practice run. The competitors must drive in a manner that does not endanger or cause inconvenience to traffic or people living within and near the stages. During reconnaissance, the traffic laws of Lebanon must be strictly complied with as well as the safety and rights of other road users should be respected.

#### 10.1 -Registration:

The Reconnaissance Registration will take place at the Rally Office on Tuesday, September 12<sup>th</sup>, between 12:00hrs - 17:00hrs. The crews must register in person.

By signing the Reconnaissance Form, the competitor and the crew hereby agree on the Declaration of indemnity annexed to it.

The Reconnaissance cars must be covered by insurance as required by the traffic laws of Lebanon, no responsibility being imputable to the organisers.

#### 10.2 - Reconnaissance GPS Trackers:

A monitoring system of the speed and reconnaissance car position during reconnaissance, by means of GPS-GSM tracking apparatus, will be used. The fitting of these tracking units will take place on Tuesday, September 12<sup>th</sup>, 2023, during the collection of reconnaissance time cards.

#### **10.3** - Reconnaissance regulations and instructions:

- The two (2) identification numbers, given at the registration, shall be affixed to the reconnaissance car. One on the windscreen (top centre) and the other on the right rear side window. They must be kept visible for the whole duration of the reconnaissance period.
- Crews are required to show their reconnaissance time card at the start and finish of all special stages.
- Crews will only be permitted to enter and leave special stages through the start and finish controls shown in the Road Book, and may not, under any circumstances, drive in a direction opposite to that of the rally.
- Crews are authorised to drive a maximum of two (2) times through each special stage during the
  reconnaissance period. When a special stage is used more than once in the same configuration only a
  total of 2 passes will be permitted.

#### 17 - GENERAL FACTS AND INFORMATION:

#### 17.1- Country Facts and Statistics:

#### Area

10,452 sq km (4036 sq miles).

#### Capital

Beirut.

#### Geography

Lebanon lies to the east of the Mediterranean, sharing borders to the north and east with the Syrian Arab Republic, and to the south with the Occupied Palestinian Territory / Israel. It is a mountainous country and between the two mountain ranges of Jabal Lubnan (Mount Lebanon), Mount Hermon and the Anti-Lebanon range lies the fertile Bekaa Valley. Approximately half of the country lies at an altitude of over 900m (3000ft). Into this small country is packed such a variety of scenery that there are few places to equal it in beauty and choice. The famous cedar trees grow high in the mountains, while the lower slopes bear grapes, apricots, plums, peaches, figs, olives and barley, often on terraces painstakingly cut out from the mountainsides. On the coastal plain, citrus fruit, bananas and vegetables are cultivated, with radishes and beans grown in tiny patches.

#### 17.2- Visa

## Requirements:

#### Passports

Passport valid for six months required by all except nationals of the Syrian Arab Republic arriving from their country with a valid national ID.

#### **Visas**

Visas are required by all except the following:

- Nationals of Bahrain, Jordan (who hold a passport with a national serial number), Kuwait, Oman,
   Qatar, Saudi Arabia and the United Arab Emirates for stays of up to three months;
- Transit passengers continuing their journey by the same or first connecting aircraft, provided holding onward or return documentation and not spending the night at, or leaving, the airport.

The following can obtain their visas on arrival at Beirut International Airport or any other port of entry at the Lebanese border, providing passport holders do not possess an Israeli stamp, and they hold return or onward tickets:

- Nationals of countries listed in the chart above, except nationals of Czech Republic, who must obtain a visa prior to arrival;
- Nationals of Andorra, Antigua and Barbuda, Argentina, Armenia, Azerbaijan, Bahamas, Barbados, Belarus, Belize, Bhutan, Brazil, Bulgaria, Chile, China (PR), Costa Rica, Croatia, Georgia, Hong Kong (SAR), Iceland, Kazakhstan, Kyrgyzstan, Liechtenstein, Macedonia, Macau (SAR), Malaysia, Mexico, Moldova, Monaco, New Zealand, Norway, Panama, Peru, Russian Federation, Singapore, St Kitts & Nevis, Samoa, San Marino, Serbia & Montenegro, Singapore, Switzerland, Ukraine, Uzbekistan and Venezuela. The above list is subject to frequent changes. All visitors requiring a visa should contact the Consulate (or Consular section at Embassy) before leaving for details about where to obtain their visa; see Passport/Visa Information.
- A "one month" visa is available at the Beirut International Airport, for nationals of Algeria, Comoro Islands, Djibouti, Egypt, Libya, Morocco, Mauritania, Somalia, Sudan, Tunisia and Yemen, on the condition they hold a return ticket, hotel reservation and \$2000 in cash or legalised cheque.

#### Types of visa and cost

Visitor 3 month: (single-entry); (multiple-entry). Visitor 1 month: free (single entry). Transit (available at the border): up to 48 hours free; 48 hours to 15 days:

#### Validity

Visitor visas are generally issued for stays of up to three months. Application to Consulate (or Consular section at Embassy); see Passport/Visa Information.

#### **Application requirements**

- Valid passport.
- Two completed application forms.
- Two passport-size photos.
- Fee payable by cash or postal order only.
